(Doors open to the public at 11:30 AM)

WHERE: Elks Lodge
28157 HWY 287 S
Lamar, CO 81052

About the Pickens Plan

Unveiled on July 8, 2008 by T. Boone Pickens, the Pickens Plan is detailed solution for ending the United States' growing dependence on foreign oil, which costs the country \$700 billion per year. The plan calls for investing in power generation from domestic renewable resources such as wind and using our abundant supplies of natural gas as a transportation fuel, replacing more than one-third of our imported and saving more than \$230 billion a year.
